Privacy & Newsletter Policy

1. We will collect information only as necessary for business transactions (payment information, address, phone, etc), for newsletter distribution (e-mail address), or as required by law.
2. We will not store credit card or other payment information on our Internet web servers.
3. All newsletter e-mail distribution is handled by an automated double opt-in system, with an unsubscribe link available on every e-mail sent by the system.
4. All newsletter unsubscribe requests are handled instantly by the automated system.
5. We will not share, publish, or sell our newsletter subscriber list, client list, or other personal information, except as required by law.
