

Transforming Changes.com Shipping Policy

1. Unless the client makes a special request, any physical products or items will go by Priority Mail.
2. Items that are drop-shipped from third parties will be shipped according to their policies.
3. The nature of our work involves extended travel to attend or teach seminars. Even when in-town, we do not travel to the Post Office every day of every week. Please be aware that we will ship any items purchased ASAP, and we will endeavor to contact the customer about anticipated delays.
4. We will NOT ship any item of any kind outside the United States until negotiable funds have cleared. If you live outside the U.S. and want to expedite shipping, please be prepared to transfer funds via Western Union or bank transfer, and we'll happily ship upon bank confirmation of funds.
